RE: Letter of Recommendation for Ms. Hailee Hepworth

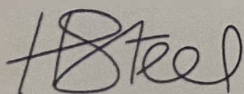

Dear Elko County Art Club Scholarship Committee,

It is my pleasure to write a letter of recommendation for Ms. Hailee Hepworth. I have known Hailee as a student at Elko High School for two years. Hailee was enrolled in my Veterinary Science course as a junior, and in Veterinary Science Advanced Studies as a senior. I can attest to Hailee's commitment to her education and work ethic, because in the Vet Science Advanced Studies program, the students are responsible for managing a real dog grooming business, the EHS Groom Room. This requires them to be able to demonstrate actual employability skills, and perform the duties to make sure the business remains operational and profitable. Hailee is always present for her grooming appointments, does a thorough job grooming the animals, and is able to communicate effectively with her teammates and clients.

While in the Vet Science program at Elko High School, Hailee demonstrated leadership abilities, and committed to two community service events the Groom Room Team created, organized, and executed. The students held a Pet Photos with Santa and the Easter Bunny to raise funds for other organizations related to providing services to other students in need. Additionally, Hailee works for the Boys and Girls Club of Elko, and referees soccer games for the Boys and Girls Soccer league for 7-8 year olds which shows her continuous commitment to the youth of her community.

Hailee has been an Ag student for all four years of her high school career, and plans to further her education and pursue a career in Biology. I am confident that Hailee has all the skills and characteristics for her to be successful in her future endeavors. If you have further questions please don't hesitate to contact me at hsteel@ecsdnv.net.

Sincerely,

A handwritten signature in black ink that reads "H Steel". The signature is written in a cursive, slightly stylized font.
